## Senior Phase Journey

When you met with your Principal Teacher of Pupil Support in S3 regarding your options for the Senior Phase you will have discussed your possible pathways through the three years of the Senior Phase. It is important that your journey shows progression from your prior learning and is planned in a coherent way which will lead to a positive destination when you leave Cults Academy.

In order to map your progress please complete the following:

### S4 Attainment (Predicted)

<b>Subject</b>						
<b>Level</b>						
<b>Grade *</b>						

\* Pupils going into S5 should note down the grade which they are PREDICTED to achieve (this may not be the same as your target grade and must be predicted by your class teacher)

### Instructions for completion of Course Choices

- 1) S5 pupils must choose 6 courses, which includes the enhancement course or N5 Maths.
- 2) Select the level at which you wish to study the subject. (Make sure that the level you wish to study is available in the column)
- 3) Take your form to the class teacher in your subject. They will then sign off your choice as appropriate for you. This must be done if you wish to continue with the subject at your chosen level.
- 4) If you are new to the subject and therefore have no class teacher then take your form to be signed by the faculty head of the chosen subject.
- 5) Please note down on the form if there is any subject which you are unable to take due to the column structure.

**Option booklet to be returned to school by Monday 10<sup>th</sup> of February at the latest.**
